"When did you leave school?"

"I left scool nearly fiteen years ago. My favuorite subjects was English, Franch and History. I enjoyed French becasse it was intresting learning to speak a diferent langage and I had a good teecher. I didn't like Science or Maths because they were a bit harder and I didn like the teachers much. I'll newer forget when our clas went on a trip to Franse. We stayed in Paris for for nihgts. It was the fast time I'd been abroud. My fiends and I had so mach fun!"
