

English Banana.com's

big grammar book

Introduction

Hello there . . . !

. . . and welcome to English Banana.com's **big grammar book**. It's the third fantastic book from English Banana and the aim this time is to practise grammar, grammar and, er, *more grammar!*

It's jam-packed from cover to cover with a great selection of photocopiable worksheets taken from the popular English Banana.com website. We wanted to provide teachers with a really useful book of no-nonsense grammar worksheets that they can dip into and use in class with students at Entry Level (ESOL Core Curriculum Entry Levels 1 & 2). It is also ideal for students to work with at home since the answers are all printed at the back.

The book is divided into four parts and is graded in difficulty, so that it begins with some basic stuff and builds up to more challenging grammar activities. It features a selection of *Essential English* worksheets which provide practice for crucial basic areas of knowledge for learners at Entry Level, like using numbers, writing the alphabet, spelling days and months correctly, and so on.

We hope that you find this book a big help and full of material that you can use with your learners. A big thank-you must go to all the students who have already been trialling these worksheets in class. Their feedback has been invaluable to the development of this book. We'd also love to know what you think! Send your comments, feedback, and questions about this book or English Banana.com in general to: info@englishbanana.com.
